MESSAGE FROM WORTHY GRAND MATRON

WOW, It is December already! Where have the days gone? Brother David and I cannot believe that our year is half over. It is going way too fast!

We recently enjoyed the "When a Bell Rings" Club Luncheon. When a bell rings, brings to mind one of my favorite Christmas movies, "It's A Wonderful Life". We are no different than the people of Bedford Falls and George Bailey. The people that were helped by the Savings and Loan Company came to George's aide when he needed it most. George believed he that he was alone at this troubling time. Actually, he was the richest man in Bedford Falls because he had spread the Warmth of the Season throughout his life. Our dear, Brothers Don and George, provided the most wonderful and creative entertainment for our pleasure, as they brought Burt and Ernie to the Christmas Luncheon.

At this time of the year everyone enjoys watching meaningful Christmas movies from an era gone by such as The Bishop's Wife, Christmas Carol, Bells of St. Mary's, Miracle on 34th Street, White Christmas, and Frosty the Snowman. These are only a few of the many holiday movies made over the years. The central theme of these movies is caring for others.

Eastern Star members care for others by supporting the many different projects the WGM and WGP selects each year. You share the Warmth of the Season with those individuals in need. It ranges from monetary gifts to something as simple as a hug when we walk into a meeting or itinerary event or a phone call to say hello missed you at our meeting. We, as Eastern Star members, depend on sharing time and visiting with our fellow sisters and brothers throughout the year. We truly care what is happening in the lives of our sisters and brothers and take time to share the Warmth of the Season with them. Let us continue to Share the Warmth of the Season in all our endeavors.

Brother David, myself and our Grand Family have attended many stated meetings, Regional fun events and a church service and have thoroughly enjoyed talking with YOU our Eastern Star Family! We are looking forward to continuing our visit with y our Chapters and the Deputy Grand Matrons Fun Events. You have all shined brightly for PA OES. Please continue to "Shine for Star" and share the "Warmth of the Season".

Wishing You a Blessed Christmas and a Joyous, Happy and Healthy New Year from the Grand Officers!

A couple came to Bethlehem
 Expecting child, they searched the inn
 To find a place for You were coming soon
 There was no room for them to stay
 So in a manger filled with hay
 God's only Son was born, oh Hallelujah Hallelujah

The shepherds left their flocks by night
 To see this baby wrapped in light
 A host of angels led them all to You
 It was just as the angels said
 You'll find Him in a manger bed
 Immanuel and Savior, Hallelujah Hallelujah

A star shown bright up in the east
 To Bethlehem, the wisemen three
 Came many miles and journeyed long for You
 And to the place at which You were
 Their frankincense and gold and myrrh
 They gave to You and cried out Hallelujah Hallelujah

We are wishing you and yours
 A Very Merry Christmas
 And
 A Joyous and Happy New Year!!

Warmth of the Season!

MESSAGE FROM WORTHY GRAND PATRON

Merry Christmas and Happy New Year 2023 to all of my Sisters and Brothers!

It's hard to believe that the first six months of my term as Worthy Grand Patron is almost over. Where has the time gone? The Christmas season is now upon us and 2023 will soon be here. I have met so many OES sisters and brothers and made so many new friends as I have traveled the OES trail attending our itinerary events. The courtesies extended to me whether it be at a chapter stated meeting, an Honor Day, a Club Luncheon, a chapter Anniversary banquet or a fun event have been heartwarming and awesome and shows that OES love, kindness and hope still abound in our organization.

The Regional Karing for Kids events have been exciting and fantastic to attend. Each Deputy Grand Matron was creative in planning a unique theme for their fundraising event. The WGM and I thank each Deputy Grand Matron for their hard work, as each event raised funds for the Children's Hospital of Philadelphia and the Central PA Down Syndrome Awareness Group. There are still Karing for Kids events remaining in the coming months so I hope you will come out and support them.

On September 25, I attended the Western Golden Stars Luncheon and due to the absence of the WGM because of COVID related issues had the privilege and honor to assist Barbara E. Adams, PGM in pinning twenty-one Golden Star sisters in attendance with their 50-Year service Pin. What a milestone achieved by each of these sisters. Each Golden Star sister had their picture taken with Barbara and me as a memento of the event.

The Worthy Grand Matron and I along with a packed bus of sisters, brothers and friends did experience an awesome four days discovering the Hudson Valley from October 11-14. We had dinner at the Culinary Institute of America, visited West Point Military Academy, the National Purple Heart Hall of Honor Museum, Franklin D. Roosevelt's Home, the FDR Museum; Valkill, Eleanor Roosevelt's home after FDR'S death; St. James Church and the Old Dutch Church Graveyard in Sleepy Hollow.

I certainly am looking forward to the remaining months of my term as Linda and I continue our itinerary events of Grand Family visits, Honor Days, Karing for Kids events, a Golden Stars Luncheon, a Paddleboat cruise of the Pacific Northwest, and the WGP and WGM Homecomings. I hope many of you can join the Grand Family at these events as we fellowship together. Continue to work hard towards the goals of our committees as by doing so you are a guiding light, a beacon of inspiration, kindness and hope for our beloved Order and our communities!

State College Chapter #388 participated in the Centre County Grange Fair Parade on August 25, 2022.

This was the Order of the Eastern Star State College Chapter's second year participating in the Centre County Grange Fair Parade and a great many recognized the support we provide for the Service Dogs as we passed through the parade route.

On August 27, 2022, Joyce E. Plonka, Associate Grand Matron was honored by Mercer Chapter 180 and Region 1B. The theme was a Penn State White Out and the guests were given Pom Poms to wave as the AGM entered the room and at the meeting as greetings were given. All 180 plus attendees were given a football tail gate lunch and an afternoon of fellowship and fun. Items were donated for the Veterans at the Butler Veterans Hospital along with the collection at the meeting. We also had a great solo of "Sweet Caroline" sung by PGP George Camlin and everyone joined in as George led the Chorus.

On July 27, 2022 the Order of the Eastern Star celebrated the life of one of its own. Sister Audrey Zeiss has been a member of Juanita Chapter #8 in Clarks Green Region 11C for 75 years. A few of the members and officers of that chapter presented her with gifts and a certificate marking the occasion. Sister Audrey is also observing her 100th birthday on Tuesday, November 8th 2022. Sister Audrey is not an unusual person for her age because her brother and her husband both lived over the age of 100. Sister Audrey now resides at the Abington Manor in Clarks Summit. Pictured are: Seated her daughter in law Madelaine Zeiss and Sister Audrey Standing is Sister Carolyn Leola, PM, Sister Carol Rodgers, Sister Pamela Ziesemer, PM, Sister Elizabeth Osborn, Worthy Matron, Sister Diana Brown, PM Sister Jean Waters, Deputy Grand Matron of Region 11C and Sister Pamela Richardson.

AN *Evergreen* COMMITMENT

When your loved one is nearing end of life,
you only want the small things:

To be together as a family.

To love and hold one another.

To have the privacy to laugh, cry or grieve together.

~~~~~  
Evergreen, a new neighborhood in the Masonic Health Care Center at the Masonic Village at Elizabethtown, allows these important things to be the focus for families.

Declining admissions due to the pandemic provided an opportunity to re-imagine how end-of-life services are provided in the Masonic Health Care Center, which offers nursing and memory support care.

Staff proposed a concept for an end-of-life area specifically designed for residents needing comfort care. The Ben Franklin 3 neighborhood was converted into the Evergreen neighborhood, providing personalized, convenient advanced care and monitoring.

"In this one area, we'll have a collaboration between our team, our physician team and also Masonic Village Hospice or another hospice provider that is selected," said Matt Mayo, assistant executive director/health care administrator. "We'll work together toward one goal for the resident and for the families."

Evergreen includes:

- 16 private, spacious rooms featuring amenities for visiting family, such as a pull-out couch, live plants, a television and a refrigerator. Each room has an Amazon Echo Show device donated by Amazon and set up by Aiva Health, which enables video calls, music options and messaging from staff.
- Private rooms for families to grieve and meet with staff counselors
- Multiple rooms for visitors and gatherings, including a living room, a screened-in patio, a library with resources and an office for working remotely
- A chapel for prayer and spiritual needs; residents from the Rooster Woodshop handcrafted an alter and lectern, and residents from the Piecemakers made a quilt to use for the Walk of Honor when a veteran passes away
- A children's space with toys, books and games

"As a medical provider, I find it's very important to include families from the very beginning of the end-of-life journey," Dr. Ann DeShong, medical director, said.

*"As part of that process, we'd like to create a space that is welcoming and open to the conversations we'll be having during the moments that are challenging for families as they face this difficult time."*

The name Evergreen was selected for its significant Masonic connection.

"In every Masonic funeral, we hold up a sprig of evergreen and state, 'This evergreen is a symbol of eternity and eternal life,'" Pastor Preston Van Deursen, now-retired director of spiritual care, said. "I thought what a wonderful name to call an end-of-life care area that provides hope and a positive image of eternal life. This isn't the end. It is only the next step."

Opened in October, Evergreen was made possible thanks to generous donors. Thomas Shott made a gift in memory of his wife, Dolores, who was a patient in the hospice program when she passed away in 2018. Donors James and Virginia McCall contributed in memory of James' mother, Julia McCall, and his niece, Jennifer McCall.

Masonic Village Hospice has been providing services to Masonic Village residents and individuals in residential homes, nursing homes, retirement communities and skilled facilities throughout Lancaster, Dauphin, Lebanon and Eastern York counties since 2009. Residents of Evergreen may utilize Masonic Village Hospice or the hospice provider of their choice.

If you would like to help patients and families create special and lasting memories in a comfortable, supportive, homelike environment, you may make a gift online by visiting [masonicvillages.org/donate-now](http://masonicvillages.org/donate-now). Region 7B - Karnival 4 Kids was held on October 30th, 2022 between 1:00 - 4:00 PM at the Somerset Masonic Lodge in Somerset, PA

The following were Regional Facilitators.

Regional Coordinator 7B DGM Debra J. Kinney, PM, Conductress Trinity #138

AGCCM Central Sabrina Caton, WM

Bedford Springs #41 Coordinator Marian 'Michele' Berger, Ruth

Meyersdale #548 Coordinator Nancy Rodkey, PM, Conductress

Trinity #138 Coordinator Amy L. Winters, Electa

When this event was 'assigned' to our Region - it is SAFE to say that collectively we sighed - as we had ZERO experience in the Karnival Department. However, Region 7B is quite resourceful and we kept their eyes, ears and minds 'open' for anything that could be used in a Karnival.

Our members hit yard sales, auctions, clearance events and some of them cleared out their closets. Who knew we had 'dragons' in our midst?

What is truly remarkable is that to enable the 'children' to have the best experience possible; members willingly left their 'egos' at home and donned crazy costumes, filled the hall with decorations, banners, balloons, streamers, gossamer, flocking, netting, pillows, blankets, scarves, prizes, & tents! Yes, tents. Wonder filled the eyes and hearts of the young & old alike as the doors opened to mystify all who took part in our fabulous affair.

The Karnival was a multiple organization event with the three OES Chapters in 7B and the Somerset Masonic Lodge #358 participating by overseeing the Chinese Auction. Their portion netted \$326.00. Thank you Somerset Masonic Lodge!

It is impossible to ignore that we entertained with the following booths; Alligator, Dragon, Unicorn, Fishing Pond, Fortune Teller, Crystal Witch, Basketball Toss, Bean Bag Toss, Duck Pond, Nuts 4 Sale, Chinese Raffle, Letters to Santa, Kotton Kandy, Snow Kones, Corn Hole, Touch-It-If-You-Dare, Professional Clowns, Professional Magician, Professional Photographer, Kostume Kontest, Center Ring Master with Skits, Door Prizes (over 30) and Guess How Many Table (over 16 bottles).

Even the food for the event tried to stay in the "K" family. We had...Kielbasa & Kraut, Koffee, Kup Kakes, Kones, Kotton Kandy, Kookies, Kobblers, Kool drinks, and Kandy.

The Worthy Grand Patron, J. David McKibben along with his wife, Karen A. McKibben, Grand Ruth and the Personal Secretary to the Worthy Grand Matron, Donna J. McGrow attended. The WGP served as General Master of Ceremonies and was also interviewed by local Television Station WJAC TV 6 (I posted this interview on the 7B & OES PA web pages). The Grand Family also acted as Judges for the Kostume Kontest.

The week prior to the event our local newspaper, the Somerset Daily American ran a FRONT-PAGE story on our event!

This significant publicity led to a FABULOUS turn out at the door. We estimate over 200 people came through.

An event of this magnitude and significant change to the norm - is a major adjustment to all who participated. We must say our heartfelt THANK YOU to everyone who stepped out of their comfort zone and conceived, planned, organized, collected, cleaned, baked, served, decorated, performed, donated time, goods or expertise, purchased tickets, attended or ANY & ALL of the above! Many folks gave unselfishly; including financially, physically, mentally, emotionally, privately and publicly. To those with a generous heart - we genuinely THANK YOU for being a part of OUR success in SERVICE. In 7B we know that our good work does not happen without every single one of YOU!

Happily, we report that the final total was over \$2,100 for the Karing for Kids Project! Bless you all.

Bedford Springs Chapter #41 held its annual Rest Stop Refreshment Stand on I-70 just outside Breezewood, Pennsylvania on Labor Day weekend. The requirements to host by the state are rather stringent; all booths must be 'manned' essentially from dawn till dusk, come rain or shine, and the booth may offer nothing store bought as a food item (Rest Areas use Vending Machines).

Bedford Chapter has this event down to a fine symphony of movements. Sister Maxine Barton, PM coordinates the schedule of workers and donations of 'homemade baked goods, soups, drinks and hot foods' with the finesse of a maestro. She lives 'just over the hill on a farm' near the Rest Area and made 4 soups herself for the event!

For myself and Brother Calvin Shifflett, it was our first year as Plural members with Bedford and we dutifully took a shift on Saturday. Sister Max, gave Calvin & I a quick tutorial on 'how to work' the booth and keep food flowing, coffee made and the 'ants & bees' at bay.

We met many weary travelers whose eyes lit with delight as they saw the plethora of delectable baked goods and mouthwatering homemade soups served with a smile – all for FREE (with a shake of our donation can). We witnessed their weariness turn from amazement to joy as they shared bits and pieces of their lives and in some cases - relationships to STAR. Many expressed inquisitiveness about who we are and what we do. It proved to be a fabulous opportunity to share Star Light and serve those in need while we fulfilled our obligations of service while at the same time it MET the financial need of the Chapter. Because many of those tired folks we fed - not only opened their hearts to us - they opened their wallets in appreciation of our kindness.

During the four-day holiday weekend, Bedford Springs made over \$4,000!

I find that when doing Gods work; the rewards are found both in the act of giving as well as the labor itself. Calvin & I felt blessed just having served that day with Max, Mary Ann & Tom Ling and their daughter, Sister Nicole Morrow.

The 3rd Annual 7B (Trinity #138, Bedford Springs #41, Meyersdale #548) Christmas Party was hosted by Trinity Chapter #138 on December 2, 2022 at the Somerset Masonic Lodge in conjunction with the Somerset Blue Lodge # 358, and fourteen members of the Somerset County Shrine Club. The party was provided at NO COST and was open to members and their families - bringing an attendance of over sixty!

Trinity Chapter #138 provided baked ham & turkey, noodles, accouterments and place settings. Guests brought homemade covered dishes to share in the Christmas Spirit. Thanks were given, plates filled, appetites satisfied, and spirits raised as carols were sung heralding in the merry season.

Children present squealed with delight and joy when jingling sleigh bells announced the arrival of Santa Claus. (Played by the Acting Worshipful Master Andrew Hixon.) Santa sat on his throne and listened to 'wishes' as he gifted the children each a small gift bag. Master of Ceremonies was Brother John Collins (Trinity 138) providing gaiety and joy filled fellowship for our fraternal organizations.

Christmas Carols were played by Sister Nancy Rodkey, PM of Meyersdale Chapter #548 with the multitude joining in the sing along!

Poinsettia plants used as table decorations were given as 'door prizes' and to members who were ill and unable to attend.

Dinner was so excellent – that there was just a 'smidge' of ham and turkey leftover. But, in an act of giving, Trinity Officers have offered to 'cook' the meal for the Mason's December meeting next week and will use these bits and pieces to create dishes for them to savor. It's the little things we do in life...that makes Christmas spirit live year-round.

# What's Happening at *Masonic Villages*

## MASONIC VILLAGE AT DALLAS

It was a merry time of year for residents during the holidays. They held their annual cookie exchange and donated some as an expression of gratitude to the Dallas Police Department.

Residents also packaged and delivered gift bags to The Meadows to hand out to residents in the nursing and rehab center.

Residents and members of Dallas Chapter No. 396, Order of the Eastern Star, picked up trash along local roadways as part of their regular effort to keep Dallas roads litter-free.

## MASONIC VILLAGE AT ELIZABETHTOWN

A testament to staff dedication, the Masonic Health Care Center received five stars in all categories measured by the Centers for Medicare & Medicaid Services (CMS). A deficiency-free Department of Health survey in 2022 contributed in part to this rating, as well as high scores in quality measures and nursing staffing categories.

Residents and staff participated in Wreaths Across America, laying wreaths at the graves of resident veterans buried in the Masonic Village Cemetery and interred in the Sell Chapel Columbarium.

## MASONIC VILLAGE AT LAFAYETTE HILL

Residents recently learned how to start their own "gratitude journals," which can be helpful when dealing with anxiety and depression, bringing thoughts of peace and gratitude.

Each resident received their own journal to write down something good that happens every day to stay positive.

Staff members enjoyed a bake sale organized by the residents, with goodies including pumpkin bread, banana bread, cookies and cakes. They also purchased tickets for a raffle of gift baskets.

## MASONIC VILLAGE AT SEWICKLEY

Masonic Village at Sewickley was named "Best of the Best" in the "Nursing Home," "Personal Care" and "Retirement Community" categories by TribLive readers during their annual poll.

Festive finery and selfies with Santa were all part of the annual "Cocktails with Santa" party. The jolly elf also visited with kids from the child care center on campus.

With art creation stations, a silent auction, 50/50 raffle and art for sale, the third annual art festival in November provided opportunities for creative expression and to do a little early holiday shopping amidst resident artwork.

## MASONIC VILLAGE AT WARMINSTER

Each month, the "Resident Recipe" activity features a resident cooking up their favorite dish. In December, everyone enjoyed a pot of resident Anita Miller's sweet and sour cabbage soup.

Residents also take part in a monthly art class. In December, they created poinsettia paintings to decorate their home.

Latrobe Chapter #221 Region 5A has just completed a year of “UP”. Our Worthy Matrons, Jodee, theme for the year was taken from the Disney Pixar movie “UP!” In the movie, Russell was a young Wilderness Explorer helping Carl and earning his own Wilderness Explorer badges. To inspire our officers and members to do more activities within the Chapter we became OES Wilderness Explorers. Each badge representing something a Chapter needs from its members.

At the beginning of the movie, Ellie gives Carl a Grape Soda bottle cap pin and said “We’re in a club now!” So Jodee gave each of us a Grape Soda bottle cap pin, because we were all part of her club. Ready to earn our badges.

A few of the ways we could earn badges were to: get new members, take an office, serve on a lunch committee, memorize your speech, attend School of Instruction, go to a Grand Chapter function, go to the festival for the Masonic Village, work on a committee and much more...

Here are our Happy Explorers with their sash and badges. Don’t we look good? – Remember “Adventure is out there”!

Prosperity Chapter No. 83

The members of Conewago Chapter #532 have been busy working at helping our community.

Sister Margie Linebaugh has been knitting scarves to donate to JJ's Toys sponsored by the Hanover Area Council of Churches for needy children.

Sister Addie Hess has been sewing pocket aprons for walkers and wheelchairs. She has donated to the VA, Masonic Homes, Luthern and Brethren Homes.

Sister Vivian Hess has been sewing pillows for infusion patients so they can attach them to their seatbelts to relieve the pressure around the port. Wellspan Infusion Center in Hanover made the request for assistance.

Also, several members have helped cook and serve meals at the Hanover Council of Churches for the homeless. Sisters Jennifer Miller, Deb Stevens, Tori Sequin, Addie and Vivian Hess have all helped to support this project.

In 2017 when Mary Wells Chapter #452 in Wellsboro transferred in masse to Cowanesque Chapter #33 in Westfield, Mary Wells Past Matrons Club ceased to meet. The Club members missed this opportunity for social gatherings which had included not only the Past Matrons/Past Patrons but all Chapter members and spouses/guests.

On June 15, 2022, Sisters Beverly Brucklacher PM and Shirley Warren PM hosted the first Mary Wells Past Matrons Club luncheon in nearly five years. After so many years of inactivity they wanted to make this event accessible to as many Sisters and Brothers as possible.

The first luncheon was held at the Ossea Masonic Lodge in Wellsboro. The dining room is on the ground floor so our Sisters in wheelchairs could easily attend. The luncheon held at noon so no one needed to be concerned about driving after dark. The invitation to attend included those who had been members of Mary Wells Chapter (this included those who had joined us from Twilight Chapter, Tioga Chapter, and Galetton Chapter) as well as our new home chapter of Cowanesque. All those attending were encouraged to include a traveling companion (spouse, family member, friend, neighbor) so no one had to travel alone or be excluded because he/she not longer was driving. It was a dish-to-pass event with the meat, beverage, and table service provided so that the cost of event would not be a burden for anyone. It was a delightful event. Everyone had the opportunity to enjoy delicious food, share memories, and plan for the future.

On July 13, Beverly and Shirley again repeated the event. The only change was to move the event to the Tioga Masonic Lodge in Tioga. There were a few steps which made it more difficult for our wheelchair bound members to attend but the change of locations shortened the travel distance for others. Again there was a good number attending.

They hosted again at Ossea Lodge on August 24 and at Tioga Lodge on September 21. All of the events were held during the middle of the week so they did not conflict with family activities that are most often on the weekends.

Our Masonic brothers at both Lodges generously allowed us to use their facilities at no charge.

Because the winters in north central Pennsylvania can make traveling very difficult, the next luncheon is not scheduled until Spring when our members will be able to travel safely.

Martha Custis Chapter #342 members collected non perishable food items during the October and November meetings as part of the Our Helping Hands Service Project.

Each meeting we collected 40 items. The October items were donated to "My Nature's Bounty Food Pantry" located in Mercersburg, Pa. The November items were dropped at the Greencastle Police Department for their food drive benefiting the Greencastle Food Pantry.

# Make Your Retirement a Priority

*Masonic Villages' Priority Wait Lists grow longer each day. Even if you're considering a move years from now, join the list at your preferred location today so we're ready when you are. This small step now can help you get the home of your choice in the future.*

## A Sweet Retirement

It was several years in the making, but Helen Cook and her husband, Herb, finally settled into their home at Masonic Village at Elizabethtown last year. As the couple glances out their sunroom window at the view from their cottage, they agree it was worth the wait.

For more than seven years, the Allentown natives knew they wanted to move to Masonic Village, just not yet.

They added their names to the Priority Wait List eight years ago, which allowed them to prepare for the move at their own speed, as well as wait for the cottage they really wanted. They received multiple calls from the Sales and Marketing team with available options before choosing the one with an idyllic vantage point from the backyard.

**"That's the secret," Helen said. "If I had to share one piece of advice with people, getting your name on this list is the secret. Just give an estimate when you're ready to go."**

Helen's other advice includes developing a good relationship and staying in contact with Sales and Marketing staff throughout the process. Anytime Helen or Herb had a question, staff were available to answer it, even after they moved to Masonic Village.

Not that their move was without challenges. They found getting rid of things to be a tremendous effort but were pleased to toss their landscaping equipment and snow blower. As soon as the Cooks knew they had their cottage, they started packing easy things and hired a moving company to assist. This made the process manageable and was well worth the expense.

Helen and Herb have been active with the Masonic fraternity for many years. Helen is a member of the New Temple Chapter No. 298, Order of the Eastern Star, and

was secretary for C. DeForrest "Chuck" Trexler, a former Masonic Villages' board member and current resident of Masonic Village at Elizabethtown. Herb is a Mason and Shriner and belongs to other Masonic bodies as well. It wasn't just that Masonic Village was founded by Masons, and they have friends from the fraternity there — it was the continuing care retirement community's reputation which really sold them on a move.

"We always knew it was a first-class care facility," Herb said. "We wanted to limit any burden on our family, friends or fraternal brothers. We can stay here if our life deteriorates and don't have to move again. If one of us needs additional care in the health care center, we can easily visit each other. It makes a lot of sense."

The Cooks moved to Masonic Village in June 2021. Other selling points for them included the woodshop and the pet-friendly policy.

"There's a good support system here," Helen said. "We feel like we have a sense a family. We take our dog for a walk to meet other people. In fact, we meet so many people, we can't always remember names."

*If you'd like to plan for your future and are at least 55 years of age, you can submit an application for Masonic Village's Priority Wait List. (This application does not guarantee an accommodation, but indicates you're interested.) A deposit is required (the amount depends on the living option selected), which will be credited to your application deposit when you apply for a retirement living option.*

## MASONIC VILLAGES' ADMISSIONS POLICY

Decisions concerning admissions, the provision of services and referrals of residents are not based upon race, religion, color, national origin, ancestry, age (where minimum age for admission is met), sex, sexual orientation, marital status, disability, limited English proficiency (LEP) or any other protected status. Regardless of your financial situation, you can afford to move to a Masonic Village! When you choose to live at the Masonic Villages, you are not required to turn over your assets; residents and their loved ones maintain complete control of them. Generous donations enable Masonic Villages to offer financial assistance to those who qualify. It is required that your financial resources are preserved for the cost of your care and services, and our staff will help you to identify all available financial assistance when needed. Fraternal care offerings vary by community. Contact the Admissions or Marketing Office at the Masonic Village of your preference for information on the living area desired. Visit [www.masonicvillages.org](http://www.masonicvillages.org).
