*Dear Secretary,*

*Please read this in your chapter meetings. The Meyersdale Chapter is so pleased to announce this concert. The church where the concert will be held is an old church, and the pipe organ was donated by Andrew Carnegie in the early 1900s. It is still in use each and every Sunday.*

*Even though I don't attend church there at this time, I grew up in this church. It has always been known as "Hays" church in the community. My maiden name was Hay, and our family was one of many "Hay" families who supported this beautiful church.*

*Brother Bob has been to this church where he enjoyed playing for about an hour, and then agreed to do a concert for us in this beautiful "country" Church. We would love to fill the pews for a concert, and hope you will come and enjoy the wonderful music with Brother Bob, Sister Joyce, and other Members of the Grand Family. The seating capacity is 250 - 300, and Bob would love to see it full for this.*

*Since Somerset County usually has lots of "winter", it will be better for us to meet at the Meyersdale Masonic Temple, use the facilities, and then proceed to the church with van transportation, and carpool. There is not much parking space at the church, and with snow possible, it would be even less. We will need to be at the Temple about 1 p.m. to get to the church on time. Please call Donna with the number of folks coming so we may be prepared.*

*We hope to see lots of folks coming to enjoy the concert.*

*Donna Raupach*
