Dear Sisters and Brothers,

We have exploded with enthusiasm into a new year! The first weekend for the 2023 Sparkle Grand Family was full of excitement. Day 1: We enjoyed our "Day with the Dogs" with 150 people in Grantville at the Susquehanna Service Dogs training facility. Day 2: We appreciated the talents of our Worthy Grand Patron and his fellow performers for a patriotic concert in Palmyra and raised \$2000 for the Reading Dyslexia Center. Day 3: We had a delightful trip to God's Country for a patriotic picnic in Region 6. We are off to a spectacular start!

Next, we were off to the Jaffa Shrine in Altoona to celebrate the 81st Session of Pennsylvania Rainbow Grand Assembly. The Grand Officers and Grand Representatives were wonderful, and I know that with these young women as our future, we will be SPARKLING brightly for years to come.

On August 12, we hope that you come join us for the Premier of Wheels & Heels Testimonial at Lake Raystown Resort and Conference Center in Central PA. The food is amazing, and the venue is beautiful! After the Testimonial we will have an old-fashioned family reunion. Form a team with your OES family. Your OES family can be your Chapter, Region, fellow DGMs, a Sessions committee, a group of Worthy Matrons, or any group you get together. Join in the spirit of the Sparkle games! There will be many prizes, including one for the best team shirt! We hope to see you there making unforgettable memories at Raystown Lake with your OES family.

Brother Bob, the Grand Officers, and I look forward to spending this year of service SPARKLING with you all. We have so many exciting events planned, so keep updated by checking out the PA OES website at [paoes.org](http://paoes.org). Most of all, remember your SPARKLE does count! Make everyday matter. In the words of John F. Kennedy: one person can make a difference, and EVERYONE should try.

Make a difference and **SHOW YOUR SPARKLE!**

With SPARKLING Fraternal Love,  
Joyce Plonka, Worthy Grand Matron 2023-2024

### Barbara E. Adams Ritualistic Excellent Award Program

Join in on the fun of the Barbara E. Adams Ritualistic Excellence Award with your Sisters and Brothers! This year, all members will have the opportunity to test on the final speech of Installation, which advises the chapter on the upcoming term, addresses the new Worthy Matron and Worthy Patron, and requests that the Installing Marshal declare the officers regularly installed. The speech can be found on pages 123-126 in your rituals. The members who successfully pass the test will be rewarded with a SPARKLY heart pin. More information on program entry and testing locations is available at [PAOES.org](http://PAOES.org).

Greetings Sisters and Brothers,

WOW! It's hard to believe that installation is over and we're on our way to a year filled with fun, sparkles, and excitement. Sister Joyce and I have a great year planned and look forward to travelling around our beautiful state.

I would like to briefly introduce myself for those friends I have yet to make. I am proud to be a member of the following Masonic bodies: Robert Fulton Chapter #446 Order of the Eastern Star, Past Patron; New London Lodge No. 545, Past Master; Harmony Lodge No. 53 of Port Deposit, MD, Past Master; Coatesville Royal Arch Chapter #267, Past High Priest; Centennial Commandry #55 Coatesville, PA; Valley of Reading A.A.S.R., Past Most Wise Master and 33<sup>rd</sup> Degree; Rajah Shrine; Red Cross of Constantine York Chapter; Royal Order of Scotland; Tall Cedars of Lebanon Har-Ce-Forest. I also serve the Grand Lodge of PA as Grand Lodge Organist.

My hobbies include collecting antique tractors, playing the organ, and traveling. My wife Lisa and I enjoy spending time with our 4 children and 5 grandchildren. I enjoy spending time with family, entertaining people with organ performances, driving tractors in parades, and playing with our Golden Doodles.

This Grand year, our special projects will benefit Shriner's Hospitals for Children in Erie and Philadelphia, PA, and the Scottish Rite Centers for Dyslexia in Reading and New Castle, PA. The funds raised will be split between the two charities. The cost to educate a student in the one-year Dyslexia School Program is approximately \$5,000 per student. Funds for the Shriner's Hospitals will be used to secure new medical equipment for these facilities.

One of the ways we will be raising money to fund our special projects is from a series of Organ Concerts around the state — see the table for dates and locations. Check the itinerary at [PAOES.org](http://PAOES.org) for exact information. Our first event in Palmyra on July 8 was a great success, and I look forward to seeing everyone at the upcoming concerts.

September 9	Masonic Temple Philadelphia
December 12	Scottish Rite Cathedral New Castle
March 23	Elizabethtown Masonic Village Sell Chapel
April 27	Scottish Rite Cathedral Coudersport

Sisters and Brothers, we all know chapters are closing and membership is declining in all of our Masonic Bodies. We all need to support our chapters now more than ever. Supporting our chapters can be done in many ways: by being an Elected or Appointed Officer, serving on a committee, transporting members who are unable to drive to a meeting (they may feel funny asking for a ride, but your call to pick them up might just be what they need), or even sitting on the sidelines to support your Sisters and Brothers who are officers on the floor. It's a whole lot more meaningful when there are members on the sidelines. Maybe you're someone who can't come to the meeting but would be happy to attend a fundraiser or provide refreshments for a meeting. There is ALWAYS something for everyone to do! It doesn't take money to give something back. Ask one of your Chapter Officers: "Is there something I can do?"

Sister Joyce and I look forward to seeing each of you as we begin our travels across the Commonwealth. May we put a smile on your face, a song in your heart, and leave a little SPARKLE wherever we go.

With Fraternal Love,  
Bob Trimble, Worthy Grand Patron 2023-2024

## IN HER *Words*

When Anita Miller was in the eighth grade, her teacher, Ms. Hochberg, suggested she enter an essay contest sponsored by the Colonial Dames of America. She won first place in Montgomery County and Pennsylvania. The recognition helped her realize she could make a career out of writing.

Anita took classes at Temple University and later applied for a reporter position at The Philadelphia Inquirer. The editors wanted her to cover Bucks County, but she convinced them she should write her own column instead.

In one of her first columns, she chronicled her experience visiting the flight deck of the aircraft carrier S.S. Abraham Lincoln in San Francisco, California. She was invited there by Commander Donald L. Baker, U.S. Naval Reserve, a friend of hers for 34 years.

"Everyone loved the story, and I ended up writing for the paper for more than eight years," Anita, who now resides at the Masonic Village at Warminster, said.

While writing for the Inquirer, Anita also worked for WBUX Radio in Doylestown. She had her own radio show with her own guests. She stayed at the station for more than eight years.

Anita continued writing for several local magazines and newspapers, including two airline flight publications. Dissatisfied with the quality of one of the publications during a flight, she contacted the

editor to ask if she could contribute an article.

Anita taught two courses at Bucks County Community College. The first one, "Getting Up and Getting Out When You're Left Alone," was about bouncing back after being widowed or divorced. The second one, "So You Always Wanted to Get Your Name in the Papers and Didn't Know How to Do It," taught students how to do their own public relations.

Anita decided to run for the Warminster School Board in the 1970s against two men, and she won. In addition, Anita worked for the Solebury School in New Hope as director of public relations and special events.

"Sometimes I think it was pure insanity that I did all the things I did at the same time, but I never had a job I didn't love," she said. "It was an insane time in my life, but I wouldn't have it any other way."

Anita grew up in Jeffersonville, Pennsylvania. She graduated from Norristown High School in 1944 with three writing awards.

She grew up in a large Masonic family

and is Past Worthy Matron of the Order of the Eastern Star Morning Light Chapter No. 312 in Hatboro.

"I've been involved with [Eastern Star] for about 20 years," she said. "My dad, my uncles and my brothers, all of them were Masons."

Anita married her husband, Len, in 1953, and the couple had two children. They lived for many years in their Warminster home before Len passed away in 1980. Anita moved to Masonic Village about a year ago.

In her free time, Anita loves to read, cook and bake. She is a longtime board member of the Peace Valley Center for Autism in Chalfont. Her son's twins are both autistic, and she is very dedicated to the cause.

Anita, who turned 96 in March, credits years of writing and an engaging career for keeping her mind sharp.

"Reading helps my brain," she said. "I recently took a trip to the thrift store and bought three more books. I love to read."

In 2017, Emily McCarthy, PGM, asked Janet to serve as the DGM of her region. Janet and her mom, Muriel Stewart, started to attend different OES functions all across the state that year, and haven't stopped!

Janet's faith is an integral part of who she is, so when Joyce and Bobby asked her to serve as their Grand Chaplain, she was very honored to serve them and our Lord in this role. During her second term as WM for Clarion Chapter, her theme was "Be Kind to Strangers lest They be Angels in Disguise" from Hebrews 13:2. As a member the Grand Family, Janet plans to share a touch of the Grand Family's SPARKLE with friends, family, and strangers by practicing random acts of kindness throughout the year.

Lisa and her husband Armand have been married for 31 years. She loves animals and currently has 6 very spoiled cats. She brings SPARKLE to her everyday life by spending time with her family, friends, and pets.

When Diana Michael, PGM, asked Lisa to be on her club board, she said yes without even knowing what a club board does. When she was then asked to serve as Diana's Sessions Secretary, she again said yes without knowing what the job entailed. When Joyce Plonka, WGM, asked Lisa to be her club board treasurer, she said yes again. ## Your SPARKLE Counts!

We are so excited to begin the journey to increase our OES **SPARKLE** across PA during Joyce & Bobby's year. The **Your Sparkle Counts** Committee encourages you to can earn points as you **SPARKLE**: **S**erve, **P**articipate, **A**ssist others, improve **R**itualistic work, spread **K**indness, provide **L**eadership — all to **E**lectrify OES.

Please obtain a **Your Sparkle Counts** Chapter Member Points Form from your Chapter Representative or from [PAOES.org](http://PAOES.org) and start recording your points each time you **SPARKLE** for OES. As your **SPARKLE** shines bright and you have earned 100 points, your Chapter Representative will give you your first wristband. You can earn 5 wristbands, for 100 points each, in blue, yellow, white, green, & red. Please turn in a copy of your form to your Chapter Rep. at each Chapter meeting, so we can watch the **SPARKLE** grow across the state each month. When you **SHINE BRIGHT** enough to earn all 5 wristbands, continue to record points and turn in your forms to help your Chapter, Region, & Section continue to **SPARKLE**.

Each Regional AGCCM has a **Steppin' Up Trophy** to be presented each month to the Chapter that **STEPPED UP** and showed the most **SPARKLE!** There will be additional awards at Grand Chapter next year in June, **BY THE SHORE IN 2024**, so we need everyone to **SPARKLE ON!**

We know we can **COUNT** on you to help **ENERGIZE** PA OES by bringing **SPARKLE** to all that you say and do this year because... **YOUR SPARKLE COUNTS!**

# What's Happening at *Masonic Villages*

## MASONIC VILLAGE AT DALLAS

Since Masonic Village at Dallas is a participant in PennDOT's "Adopt a Highway" program, residents regularly volunteer to pick up trash along Country Club Road. The community appreciates their efforts to keep the area clean and green.

## MASONIC VILLAGE AT ELIZABETHTOWN

Residents, staff and visitors have enjoyed the new waterfall garden outside the Freemasons Cultural Center Atrium for several months. This addition was recently dedicated, thanks to residents David and Lisa Law, whose donations funded the project. The waterfall garden was created in memory of David's sister, Sally, who passed away in 2018 after a lifetime of accomplishments in the financial planning field.

Thanks to the Middletown PieceMakers, represented by Jo Garvin, 12 Korean War veterans were honored with Quilts of Valor at Masonic Village. The

Quilts of Valor Foundation's mission is to cover all military service members and veterans who have been touched by war. Thank you to all veterans for their service and to Barbara Zitrick and the Masonic Village Veterans Committee for organizing this event.

## MASONIC VILLAGE AT LAFAYETTE HILL

Residents had a "bowl-off" with Brightview Senior Living residents in the bowling alley on campus. The Masonic Village team won with a combined score of 301 to 141!

The annual bazaar in April featured a variety of items such as clothing, jewelry, baked goods and handmade wares available for purchase. The sale raised over \$600 for resident programming and events.

## MASONIC VILLAGE AT SEWICKLEY

Sewickley Academy second grade students joined residents for a few games of bingo and intergenerational bonding. For Memorial Day, Pine-Richland-Mars Air Force Junior ROTC members helped with Masonic Village's "Missing Man" table ceremony, which in part represents fallen military service members.

Residents and staff returned to Schenley Park to walk in the Susan G. Komen "More Than Pink" fundraiser walk together. Team MVS raised \$21,000, the most of any group participating. Resident Edie Yeager was the top individual fundraiser in Pennsylvania again this year, with \$12,000 raised.

## MASONIC VILLAGE AT WARMINSTER

Masonic Village campuses were "cultivating kindness" in many different ways for National Skilled Nursing Care Week in May. In Warminster, staff and residents enjoyed raffles, crafts, music, gifts and celebrations.

Residents enjoyed delicious crepes during a recent "Cooking with the Chef" demonstration and tasting with executive chef Carmen Borgia!

## The Right Space at the Right Time

Before coming to Masonic Village at Lafayette Hill, Ed Campbell, a member of Palestine-Roxborough Lodge No. 135, was living on his own in a rowhouse in the East Falls section of Philadelphia. Prior to that, he had spent 40 years in a large four-bedroom colonial in Lansdale, where he and his then-wife raised their three sons.

As Ed got older and developed some health problems, he came to the realization that, sooner rather than later, he was going to need more help. He was adamant he didn't want his children to have to take care of him.

"I realized I didn't need all that space in my house anymore, because it was just me," he said.

Ed began searching for retirement living and continuing care facilities where he could get extra assistance if he needed it. He "fell in love" the first time he stepped foot on the Masonic Village campus. He immediately put down a deposit and selected a one-bedroom apartment.

"To be honest, I didn't look at any other apartments except the one-bedroom," Ed said. "I certainly didn't need two bedrooms. The living room was a nice size, and I didn't need a den. I liked that everything was on one level, which made things easier for me. It was perfect. I didn't see the need for the extra room."

Ed felt a little sad leaving behind all the memories he made in his house in East Falls, but the move to Masonic Village was pretty stress-free. His sons did all the work emptying his house. Ed only brought over clothes and furniture that would fit into a one-bedroom apartment. He got rid of everything else.

"I had looked at other facilities for this next stage in my life, but none were as homey and comfortable as [Masonic Village] was," he said. "The first time I walked

in, I felt comfortable. It was not as intimidating as, say, a five-story high-rise building. I felt at ease here."

Ed enjoys spending time on his second-floor balcony, which overlooks a lovely courtyard. He likes to plant flowers. He takes part in campus activities, especially Trivia Night and attending shows in the auditorium.

***"I would recommend Masonic Village to anyone," he said. "I've been totally happy since the day I moved in."***

"If anything goes wrong, the maintenance staff are usually here the same day to fix whatever it is. I don't have to worry about anything. I consider myself the luckiest man on the face of the earth. Coming here was the best decision I made in a long time."

For those looking to downsize their home, but increase their time for doing the things they love, the following Masonic Villages' locations offer one-bedroom apartment options.

### MASONIC VILLAGES' ADMISSIONS POLICY

Decisions concerning admissions, the provision of services and referrals of residents are not based upon race, religion, color, national origin, ancestry, age (where minimum age for admission is met), sex, sexual orientation, marital status, disability, limited English proficiency (LEP) or any other protected status. Regardless of your financial situation, you can afford to move to a Masonic Village! When you choose to live at the Masonic Villages, you are not required to turn over your assets; residents and their loved ones maintain complete control of them. Generous donations enable Masonic Villages to offer financial assistance to those who qualify. It is required that your financial resources are preserved for the cost of your care and services, and our staff will help you to identify all available financial assistance when needed. Fraternal care offerings vary by community. Contact the Admissions or Marketing Office at the Masonic Village of your preference for information on the living area desired. Visit [www.masonicvillages.org](http://www.masonicvillages.org).

Watson town Chapter #282, Region 9 hosted an Easter egg hunt and craft show at the Muncy Masonic Lodge in April, complete with an appearance by DGM Vicki Bencoter as the Easter Bunny! Fun was had by all, and chapter members especially enjoyed helping the children hunt for eggs. The craft show featured some very talented crafters, and the chapter is looking forward to their next community craft show on November 18!

The Worthy Matrons of Region 8A went on a shopping trip in June, getting some wonderful new attire to wear out on the OES Trail! Fun, fellowship, and homemade popcorn was enjoyed by: DGM Michelle Byers, WM (459); Karen Holden, WM, (342); Carol Weiser, WM, (392); Roxanne Hauman, WM, (519); and Kristie Kennett, WM, (375). It was a wonderful bonding experience, especially for first-time WM Sister Kristie!

### 2022-2023 Scholarship Winners

The Educational Scholarship & ESTARL Committee is pleased to share the names of the 77 students who received a scholarship at Grand Chapter. The Committee wishes to extend our sincere gratitude to the Grand Secretary, Grand Treasurer, Grand Trustees, and all 61 chapter secretaries who helped the applicants become scholarship winners.

Your secretary will have information in September explaining scholarship eligibility. At Grand Chapter, the maximum scholarship award was increased from \$2,000 to \$4,000. # Congratulations to Our Graduates!

As a ballroom full of staff, family members, educators and donors watched, the 33 residents of the Masonic Children's Home were celebrated for their academic, athletic and extracurricular achievements at the 99th annual Youth Appreciation Day.

The two seniors, Joy and Breanne, shared their gratitude for all those who've helped them grow along the way, while providing encouragement for those who will follow in their footsteps.

Joy, from Philadelphia, came to the children's home in 2018 with her younger sister and appreciates all the opportunities she has been given.

*"The things I'm doing now would not have been possible if I hadn't come here," she said.*

Joy took an advanced health careers class at Lancaster County Career & Technical Training and will major in

nursing at Penn State University this fall.

Breanne, 18, from Elizabethtown, will attend Millersville University in the fall, where she plans to study psychology.

She came to the children's home in the seventh grade, along with her two younger sisters, Paige and Hailey. She has enjoyed her time because she gets along with the other girls, and the house parents are always "nice and inviting."

With the support of donors, staff, family and one another, the youth at the Masonic Children's Home can grow stronger and more confident in a future with limitless possibilities.
